Bina Puri unit secures RM20mil housing project

KUALA LUMPUR: Bina Puri Holdings Bhd's wholly-owned subsidiary Bina Puri Construction Sdn Bhd has secured a RM20.4mil project from Jabatan Perumahan Negara.

The 14-month job, to commence this month, would involve the construction of Taman Topaz housing project in Dengkil, Selangor, said group managing director Tan Sri Tee Hock Seng.

He said with the new project, the group's orderbook now stood at RM2.73bil.

"This year, we have secured new projects worth over RM1bil, which is consistent with our performance over the last few years," he added. — Bernama
