Bina Puri to build RM441m complex

Thursday, 26 September 2013 10:00 P Vijian 0 Comments

Bina Puri Holdings Bhd has been awarded a construction project worth RM441 million by Sime Darby CapitaMalls Asia Sdn Bhd (Melawati Mall) to build a 13-storey shopping complex.

In a filing to Bursa Malaysia yesterday, Bina Puri said the contract is for the construction of eight retail floors and a five-storey car park, located in Pusat Bandar Melawati, in Ulu Kelang, Selangor.

The contract period will run for 24 months.

With the latest award, the group has secured RM775 million worth of projects in 2013 and is confident of adding more to its existing orderbook before the year-end. The group's unbuilt orderbook stands at RM1.91 billion to date.

The new contract is expected to contribute positively to the earnings of Bina Puri for the financial year ending Dec 31, 2013.
