KUALA LUMPUR, May 9 (Bernama) -- There will a traffic diversion involving two routes at the Subang Jaya Selatan Interchange at KM S0.4 of Puchong Damansara Highway (LDP) from Monday to Friday starting from midnight to 6 am.

Sumbangan Lagenda Sdn Bhd, the developer of The Main Place Residence project at USJ 21 which is a subsidiary of Bina Puri Holdings Bhd, in a statement said the diversion would be implemented to tar the road at the Subang Jaya Selatan intersection.

"From Monday, the traffic from Puchong towards Persiaran Kewajipan will be affected in which motorists need to make a u-turn at the Shah Alam/Hicom traffic light.

"From Wednesday to Friday, motorists from Persiaran Kewajipan heading towards Puchong need to go through the underpath of the multi-level intersection towards Shah Alam and make a u-turn under the elevated viaduct," the statement said.

According to the statement, temporary traffic management road signages would be put up to facilitate road users and motorists are advised to follow the road signs to ensure smooth traffic flow in the affected LDP areas.
