**BINA PURI TO COMPLETE INFRASTRUCTURE WORKS FOR STATION 01
AWAN BESAR OF AMPANG LINE LRT EXTENSION**

KUALA LUMPUR - Bina Puri Sdn Bhd, a wholly own subsidiary of Bina Puri Holdings Bhd has won a tender to undertake a RM49.87 million project to construct and complete the infrastructural works on a land adjacent to Station 01 of the proposed extension of the Light Rail Transit Ampang Line to Putra Heights (Ampang Line LRT Extension Project).

This latest award has increased the group's total number of new projects secured this year to RM695 million. The Group's un-built book order has now risen to RM2.01 billion to date. The infrastructure project was awarded by Brilliant Corridor Sdn Bhd on Nov 10 and it is to be completed within eight months.

The said land at Awan Besar on Lot 38568, off Jalan 1/155B, Bukit Jalil, Kuala Lumpur, is being prepared for mixed development by Brilliant Corridor and Prasarana Malaysia Bhd (Prasarana).

Group Managing Director Tan Sri Datuk Tee Hock Seng, JP said this tender award by Brilliant Corridor is a sterling recognition of Bina Puri's capability to deliver its undertakings on time.

"It is crucial that this project to construct infrastructural works at Awan Besar must be completed in time with the commencement of operations at Station 01 if this were to mean anything to enhance Prasarana's LRT services," he said.

The works entail, among others, the construction and completion of new main access road, re-alignment of existing roads, underpass, vehicular box culverts, retaining walls, surface car parks, and covered walkway. It also involves installation of street lighting, traffic signalization and upgrading, drainage and road furniture, landscaping, etc.

In a statement filed with Bursa Malaysia, Bina Puri noted that the latest award was not expected to have any material effect on the net assets and earnings of the group for the financial year ending 31 December 2014. It also stated that no directors, major shareholders and/or persons connected with them have had any interests, direct or indirect, in the award.

Station 01 at Awan Besar is the first station in the proposed extension of the LRT Ampang Line (Ampang Line) to Putra Heights. To achieve a sustainable Light Rail Transit system, Prasarana and Brilliant Corridor are jointly developing the said land adjacent to Station 01.

Prasarana, which is the asset owner and operator of the LRT Ampang Line, has appointed Bina Puri – Tim Sekata JV as the main contractor and Fajarbaru Builder Sdn Bhd as the nominated sub-contractor of the proposed extension.
