Bina Puri won Special Mention Certificate for the Best Major Project Award (Building) in MCIEA 208

The LKIM Fishery Complex project at Kuching, Sarawak won the Special Mention certificate in the Malaysian Construction Industry Excellence Award (MCIEA) 2018~ The Best Project Award (Building) for the Major Project category (More than RM100 million). The certificate award was received in a ceremony held on 28th September 2018 at Grand Hyatt Hotel, Kuala Lumpur.

Bina Puri was represented by Mr We Her Ching, Executive Director of Bina Puri Sdn Bhd, who received the certificate award presented by YB Tuan Haji Mohd Anuar Bin Mohd Tahir, Deputy Minister of Works Malaysia.

Meanwhile, the project's client, Pangkalan Ikan Central Sdn Bhd was represented by its chairman, YBhg Dato' Sri Thomas Lau, who received the award in the ceremony.

We congratulate our project team for their hard-work, big effort and strong commitment that led to the project success. Special thanks to Mr Chin Fook Keong, General Manager, Operations (Sarawak),

Mr David Then Vui Wee, Project Manager and all the project team members for their effort uplifting Bina Puri in winning the award.

Our gratitude and millions of thanks to the project's client, Pangkalan Ikan Central Sdn Bhd for its trust to Bina Puri and strong support leading to the successful completion of the project.

Undoubtedly, the award proved Bina Puri as a truly Malaysia's landmark builder that able to undertake any kind of project including fishery complex.

About the project

Bina Puri Holdings Bhd, through its wholly-owned subsidiary, Bina Puri Construction Sdn Bhd on 20th February 2013 entered into a contract agreement with the concessionaire, Pangkalan Ikan

Central Sdn Bhd (PIC) to plan, design and build a fishery complex in Kuching, Sarawak, at a contract value of RM247.84 million.

The scope of works included piling works, building works, mechanical & electrical, civil and infrastructure and external works, marina works, landscaping, signage & furniture for the concessionaire. The project commenced on 22nd July 2014 and was successfully completed on 31st March 2017, ahead of two months.
